8th International Conference on European Economics and Politics

July 14-15, 2026 – KOF (ETH Zurich)

We invite submissions for the 8th annual International Conference on European Economics and Politics jointly organized by the Network for European Studies. The Conference brings together Economists and Political Scientists interested in the empirical and theoretical debate on Europe and the world. The conference is hosted by KOF, ETH Zurich Switzerland on July 14-15, 2026.

Keynote speakers

Lint Barrage (ETH Zurich and CEPR)

Dominic Rohner (Geneva Graduate Institute and CEPR)

Topics of interest include, but are not limited to:

1. Macro and Finance
2. European governance
3. Inequality and polarization
4. Geopolitics, migration and trade
5. Climate change and energy policies

Submission of Papers

We will consider both empirical and theoretical papers. Please submit full papers via our online submission form: <https://editoralexpress.com/conference/CefESConf2026/> The deadline for submission is April 15, 2025, with decisions communicated by April 30.
